Editorial Review

Review

"Students at this level have many challenges including narrowing and focusing a topic, adequate development, sentence structure and grammar. Grassroots does a good job with this level of student which is why we have stayed with this text for about 15 years."

"This book is a staple among developmental writing texts."

About the Author

Susan Fawcett started teaching English at Bronx Community College right after she finished college. The idea for the EVERGREEN books grew out of her frustration that adults needed remediation but the only material available had a tone more appropriate for middle school students. She occasionally teaches a class in Miami, where she lives in the winter and writes full time.
