Still Waters By Tami Hoag

The deepest waters hide the darkest secrets....

When the body of a murdered man literally falls at Elizabeth Stuart's feet, she's able to wash away the blood--but not the terror. Unwelcome newcomers to Still Creek, Minnesota, she and her troubled teenage son are treated with suspicion by the locals, including the sheriff. Yet nothing will stop her from digging beneath the town's placid surface for the truth—except the killer.

Running from a messy divorce, Elizabeth believed buying a small-town newspaper offered a fresh start for herself and her son. But idyllic Still Creek, nestled in the heart of lush Amish farmlands, hides secrets dangerous enough to push someone to commit murder. Now Elizabeth must risk everything to save herself and her son, and to unmask the killer...before the current of evil flowing through Still Creek drags her under.

When Elizabeth Stuart searched for a quiet, peaceful home for herself and her son, Still Creek seemed perfect. Nestled in the heart of lush Amish farmlands, this small, idyllic Minnesota town would allow her to put a shattering divorce behind her. But the locals were noticeably cool to the newcomer—who was rumored to be a gold-digger—especially when she started stirring up controversy with her newspaper. And now when a murdered body literally falls at her feet, she has a slight credibility problem...particularly with the arrogant sheriff whose blue eyes seem to know her darkest secrets.

An ex-pro athlete who had returned to Still Creek a hero, Sheriff Dane Jantzen doesn't have much use for the media—especially not in the form of this glamorous, gutsy outsider who spells trouble with every word she prints. So when she becomes his suspect in a vicious crime, the last thing Dane expects is the jolt of attraction at their every encounter.

Elizabeth would soon challenge Dane's every assumption, including the one that he's better off without love. But as they risk everything to uncover the truth, the current of evil that contaminates Still Creek threatens to pull them both under...

Editorial Review

From Publishers Weekly

After a messy and very public divorce from her magnate husband, Elizabeth Stuart is persuaded by her old college chum to move from Atlanta to Still Creek, Minn. When car trouble strikes, Elizabeth hoofs it to a construction site--and finds the developer, Jarrold Jarvis, in his car with his throat cut. Sheriff Dane Jantzen figures the deed was done by a transient: Jarrold's wallet was stolen and his glove compartment rifled. Elizabeth, who now owns the local newspaper, suspects most everyone in town: Jarvis had kept a secret list of names of people who owed him money. Dane and Elizabeth start off their eventual romance by treating each other like dirt--exchanging what passes for snappy repartee. Dane insists on escorting Elizabeth to a press conference because "I want to know where your mouth is." She retorts, "it won't be kissing your ass." The characters are no more agreeable than the plot is focused on finding the murderer. Perhaps that's why the effect of Hoag's (Lucky's Lady) story is less "still" than static.

Users Review

From reader reviews:

John Richardson:

Book is to be different for every single grade. Book for children till adult are different content. To be sure that book is very important for people. The book Still Waters had been making you to know about other information and of course you can take more information. It is rather advantages for you. The reserve Still Waters is not only giving you more new information but also being your friend when you sense bored. You can spend your own personal spend time to read your book. Try to make relationship with all the book Still Waters. You never experience lose out for everything should you read some books.

Paul Frazier:

Nowadays reading books be than want or need but also get a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge your information inside the book this improve your knowledge and information. The info you get based on what kind of publication you read, if you want get more knowledge just go with education books but if you want experience happy read one along with theme for entertaining including comic or novel. The Still Waters is kind of guide which is giving the reader erratic experience.

Mary Benoit:

Reading a guide tends to be new life style on this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Along with book everyone in this world can share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or even their experience. Not only the storyline that share in the ebooks. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their talent in writing, they also doing some investigation before they write to the book. One of them is this Still Waters.

Robert Holt:

Reading a e-book make you to get more knowledge from that. You can take knowledge and information originating from a book. Book is composed or printed or illustrated from each source in which filled update of news. With this modern era like now, many ways to get information are available for anyone. From media social like newspaper, magazines, science reserve, encyclopedia, reference book, story and comic. You can add your understanding by that book. Are you ready to spend your spare time to open your book? Or just trying to find the Still Waters when you necessary it?
