Strategic Logic and Political Rationality: Essays in Honor of Michael I. Handel From Brand: Routledge

One of three volumes in honour of the teaching and scholarship of the late Michael I. Handel, this book details the universal logic of strategy and the ability of liberal-democratic governments to address this logic rationally. Treating war as an extension of politics, the diverse contributors (drawn from the United States, the United Kingdom, Australia and Israel) explore the difficulties in matching strategy to policy, especially in free societies.
