#### About the Author

Rick DiClemente's astrological work continues to evolve as he learns from his clients and pursues his own personal and spiritual growth. He trusts the wisdom of the Universe to flow through him to deliver just the right messages, just when they're needed. In fact, Rick and his clients agree that somehow the consultation occurs at just the right pre-appointed time. The client and astrologer begin to walk closely together through the client's story. The path begins to naturally wend through a sacred place where the details of the story begin to fall away, revealing in their stead the astrological archetypes; the stuff of the client's deeper consciousness; the existential core. It's a magical homecoming, a remembering of this lifetime's original, beautiful essence and purpose. The client carries insights gained from this journey back into the light of daily life, revitalized and knowing how to use these archetypal energies consciously and purposefully toward their own and the greater good. Because clients so often find their lives transformed by a consultation with Rick, he is considered by many to be a true "way-shower". Rick has been practicing astrology as an art, a science, a discipline and a way of life for over 36 years. In addition to his work with individual clients, he is known for his down-to-earth and humorous way of delivering his astrological knowledge to groups. "The Exquisite Zodiac" is a field guide to the archetypes of the zodiac, written for both the non-astrologer and the advanced practitioner. TEZ was favorably reviewed in the October/November 2013 issue of The Mountain Astrologer magazine. It has been heralded in many unsolicited reviews as an engaging, entertaining, educational and often-referred-to volume that can be carried in back pack or purse. This book is the first of a planned trilogy. Rick has also written for various publications including Point of Light, OM Times, and Pure Times magazines. Consultations can also be scheduled nationally and internationally over the telephone and Skype. All of Rick's astrological endeavors are coordinated through the company he founded in 2003, Starself. Rick's followers can keep up with Rick's work through the Starself web site at Starself.com. The site has information about scheduling consultations, current and archived monthly Starself newsletters, other articles, calendar of Rick's in-person and on-line activities, and much more!
