The Last Star: The Final Book of The 5th Wave By Rick Yancey

The highly-anticipated finale to the *New York Times* bestselling 5th Wave series.

The enemy is Other. The enemy is us. They're down here, they're up there, they're nowhere. They want the Earth, they want us to have it. They came to wipe us out, they came to save us.

But beneath these riddles lies one truth: Cassie has been betrayed. So has Ringer. Zombie. Nugget. And all 7.5 billion people who used to live on our planet. Betrayed first by the Others, and now by ourselves.

In these last days, Earth's remaining survivors will need to decide what's more important: saving themselves . . . or saving what makes us human.

Praise for The Last Star

"Yancey's prose remains achingly precise, and this grows heavier, tighter, and more impossible to put down as the clock runs out...this blistering finale proves the truth of the first two volumes: it was never about the aliens."—*Booklist*, starred review

"A haunting, unforgettable finale."—*Kirkus Reviews*

"Yancey doesn't hit the breaks for one moment, and the action is intense, but the language always stays lyrical and lovely. It's a satisfying end to an impressive trilogy, true to the characters and the world Yancey created."—*Entertainment Weekly*

"Yancey has capped off his riveting series with a perfect ending."—TeenReads.com

"[T]he ending provides both satisfaction and heartbreak."—*Publishers Weekly*

"Yancey's writing is just as solid and descriptive as in the first two books....What Yancey does beautifully is reveal the human condition."—*Examiner.com*

"Rick Yancey sticks the (alien) landing in the action-packed finale to his *The 5th Wave* invasion saga And the author gives us a major dose of girl power as well, pairing Cassie and Ringer for an uneasy alliance that provides the best moments in this fantastic series' thought-provoking and satisfying conclusion."—USA Today

Praise for *The 5th Wave*

Now a major motion picture starring Chloë Grace Moretz

"Remarkable, not-to-be-missed-under-any-circumstances."—*Entertainment Weekly*

"A modern sci-fi masterpiece . . ."—USAToday.com

"Wildly entertaining . . . I couldn't turn the pages fast enough."—Justin Cronin, *The New York Times Book Review*

Praise for *The Infinite Sea*

"Heart-pounding pacing, lyrical prose and mind-bending twists . . ."—*The New York Times Book Review*

"Impressively improves on the excellent beginning of the trilogy."—*USA Today*

"An epic sci-fi novel with all the romance, action, and suspense you could ever want."—Seventeen.com

Editorial Review

From School Library Journal

Gr 9 Up—The Others arrived with one goal in mind—complete annihilation of the human race. The first wave cut the power, the second brought natural disasters, the third heralded the plague, the fourth saw the Others walk among us, but the fifth will be the worst. Without trust, it is every human for themselves. Forced by Vosch to undergo the 12th system, Ringer is enhanced with alien technology that makes her a deadly killer. Vosch has given her one mission—bring him Evan Walker. With Evan captured, Ringer offers Cassie what she wants most—a chance to infiltrate Vosch's headquarters to save Evan as long as Vosch is Ringer's to kill. Added to this pressure is the fact that they have just four days before the mothership will begin dropping bombs on all of the world's major cities. This is the most mature of the volumes of Yancey's "Fifth Wave" trilogy, as strong language frequently appears and violence reaches its peak. Astute fans will appreciate the author's attempt to make everything come full circle back to Cassie's initial fear that she is the last human. While satisfying, the ending will leave readers either loving or hating it, so prepare to hear passionate debates from teens. **VERDICT** While some questions remain unanswered, there are too many fans of the series even to consider passing over the final installment for purchase.—Lindsey Tomsu, La Vista Public Library, NE(c) Copyright 2011. Review

★ Loss and sacrifice intertwine with the underlying questions of morality, family, and human strength, and the resolutions of two apocalyptically doomed romances are appropriately understated, but no less electrifying. . . . [T]his blistering finale proves the truth of the first two volumes: it was never about the aliens."—*Booklist*, **starred review**

"[The Last Star] again unspools from multiple perspectives, keeping readers as off-balance as the characters, who must adjust to a world where they can trust no one. . . . After hundreds of pages of violent, nonstop action, the ending provides both satisfaction and heartbreak."

—*Publishers Weekly*

About the Author

Rick Yancey is the author of the *New York Times* bestsellers *The 5th Wave* and *The Infinite Sea*, the first two books in this series. His debut young-adult novel, *The Extraordinary Adventures of Alfred Kropp*, was a finalist for the Carnegie Medal. In 2010, his novel *The Monstrumologist* received the Michael L. Printz Honor, and the sequel, *The Curse of the Wendigo*, was a finalist for the Los Angeles Times Book Prize. When he isn't writing or thinking about writing or traveling the country talking about writing, Rick is hanging out with his family.

Users Review

From reader reviews:

Michael Bennett:

Throughout other case, little persons like to read book *The Last Star: The Final Book of The 5th Wave*. You can choose the best book if you'd prefer reading a book. Providing we know about how is important the book *The Last Star: The Final Book of The 5th Wave*. You can add expertise and of course you can around the world with a book. Absolutely right, mainly because from book you can recognize everything! From your country until foreign or abroad you may be known. About simple factor until wonderful thing you could know that. In this era, we can easily open a book or perhaps searching by internet product. It is called e-book. You can use it when you feel bored to go to the library. Let's read.

Cary Barrett:

What do you in relation to book? It is not important with you? Or just adding material when you want something to explain what yours problem? How about your time? Or are you busy person? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have spare time? What did you do? Everyone has many questions above. They should answer that question because just their can do which. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need this *The Last Star: The Final Book of The 5th Wave* to read.

Molly Wilson:

The reserve with title *The Last Star: The Final Book of The 5th Wave* possesses a lot of information that you

can understand it. You can get a lot of gain after read this book. This kind of book exist new understanding the information that exist in this guide represented the condition of the world right now. That is important to yo7u to learn how the improvement of the world. This particular book will bring you inside new era of the internationalization. You can read the e-book on the smart phone, so you can read the item anywhere you want.

William Moreau:

As a scholar exactly feel bored in order to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just small students that has reading's soul or real their pastime. They just do what the educator want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Last Star: The Final Book of The 5th Wave can make you sense more interested to read.
