The Lost Prince (The Iron Fey) By Julie Kagawa

Don't look at Them. Never let Them know you can see Them.

That is Ethan Chase's unbreakable rule. Until the fey he avoids at all costs—including his reputation—begin to disappear, and Ethan is attacked. Now he must change the rules to protect his family. To save a girl he never thought he'd dare to fall for.

Ethan thought he had protected himself from his older sister's world—the land of Faery. His previous time in the Iron Realm left him with nothing but fear and disgust for the world Meghan Chase has made her home, a land of myth and talking cats, of magic and seductive enemies. But when destiny comes for Ethan, there is no escape from a danger long, long forgotten.

Editorial Review

From School Library Journal

Gr 7 Up-Ethan Chase, 18, tells people that his older half sister, Meghan, is dead, but she's not. She left his family to live in Nevernever, the land of the faeries, as the Iron Queen, after the adventures related in Kagawa's first "Iron Fey" series (Harlequin Teen). This first volume in a follow-up series begins as Ethan's reputation as a troublemaker follows him to a new high school, where he saves a half-faery fellow student from bullies and finds himself facing new dangers. Ethan's magical Sight allows him to see the many fey creatures that surround him, but it also lets him see the creatures that drain faery magic. Joined by his friend Kenzie, Ethan travels to Nevernever to warn the fey of the danger they face. With new allies, they return home to confront the danger that threatens their friends, leading to an action-packed magical confrontation. Ethan's character stands out due to his negative attitude toward magic, his martial-arts skills, and his determination that not making friends is the best way to keep others around him safe. Kagawa allows the relationship between Ethan and Kenzie to develop slowly and realistically, revealing details about their pasts as the story progresses and creating a strong appeal to readers of both genders. Fans of the first "Iron Fey" series will be interested in seeing Meghan and her family again, while new readers will find enough detail to help them jump right in and enjoy the magic, adventure, and touch of romance.--Beth L. From [Booklist](#)

Kagawa's strong world building and character development—of both fey and humans—continues to abound as she opens a new cycle of her best-selling series *The Iron Fey*. As Ethan, 17, starts yet another new school, he is followed by rumors about his violent past. He is bitter about his abilities to see fey and sense the impending calamities they may be planning for the human world, but he grudgingly befriends Todd, a half-breed boy, as well as Kenzie, a fully human girl. When Todd disappears from his human home, Kenzie insists on accompanying Ethan in his search for his elder sister, the Iron Queen. Kagawa cleverly balances Ethan's complex emotional life, the humorous antics of misbehaving gremlins, Kenzie's jocular but authentic bravery, and the frightening powers held by historic fey. Readers new to this fantasy world will have no trouble becoming absorbed, while those who have read the four novels of *The Iron Fey* will be delighted to start in on this companion series, *Call of the Forgotten*. HIGH-DEMAND BACKSTORY: With volumes in the New York Times best-selling *Iron Fey* series continuing to draw new fans, this companion series is sure to spark wide interest. Grades 8-12. --Francisca Goldsmith

About the Author

Born in Sacramento, CA, Julie Kagawa moved to Hawaii at the age of nine. There she learned many things; how to bodyboard, that teachers scream when you put centipedes in their desks, and that writing stories in math class is a great way to kill time. Her teachers were glad to see her graduate.

Julie now lives in Louisville, KY with her husband and furkids. She is the international and NYT bestselling author of *The Iron Fey* series. Visit her at juliekagawa.com.

Users Review

From reader reviews:

David Anthony:

What do you regarding book? It is not important with you? Or just adding material when you require something to explain what yours problem? How about your free time? Or are you busy man? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They need to answer that question mainly because just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is correct. Because start from on jardín de infancia until university need this particular The Lost Prince (The Iron Fey) to read.

Linda Spaulding:

Here thing why this specific The Lost Prince (The Iron Fey) are different and trustworthy to be yours. First of all reading through a book is good nevertheless it depends in the content of computer which is the content is as delicious as food or not. The Lost Prince (The Iron Fey) giving you information deeper since different ways, you can find any guide out there but there is no guide that similar with The Lost Prince (The Iron Fey).
