### Editorial Review

From the Back Cover

*The Tattoo Chronicles* is an illustrated diary that offers an intimate look at a crucial year in the personal and professional life of Kat Von D, the charismatic, no-holds-barred tattooer and star of *LA Ink*.

When Kat does a tattoo, she writes an entry about it in her journal, reflecting not only on the significance of the tattoo for the person who is receiving it but also on how the experience of creating this tattoo affects her personally.

In these diary entries—some poignant, some hilarious, some confessional—Kat lays it on the line about how doing these tattoos influences her life and art. Here are the highs and the lows, the good, the bad, and the ugly—including her feelings about her fame, family, love life, friends, and fans.

Visually stunning, this graphically compelling diary is jam-packed with tons of Kat's images, from sketches of her tattoos to the finished works, and candid shots of her unusual personal collections—all photographed by Kat herself. Fans will love reading about her array of clients from all walks of life, including Motörhead's Lemmy Kilmister, Dave Navarro, and members of Metallica, Green Day, Kings of Leon, and the Eagles. Throughout *The Tattoo Chronicles* are captivating, color photographs of Kat that were taken specifically for the book, published here for the first time.

Here she is: the real Kat Von D: unscripted and uncensored!
