Young Children With Special Needs, Pearson eText with Loose-Leaf Version -- Access Card Package (6th Edition) By Stephen Hooper, Warren Umansky

This title is only available as a loose-leaf version with Pearson eText.

The definitive resource for early interventionists for over thirty years!

Young Children with Special Needs, 6/e is the field's classic book on early childhood special education. Taking a unique perspective, it offers readers a solid foundation in child development and addresses how children with special needs develop differently. Rich with expertise, this edited work features contributions from leading educators within each developmental domain. Chapters explore assessment and early intervention, and the role diversity and technology play in both. New to this edition are two expert authors, an increased emphasis on family partnerships, and a separate chapter dedicated to fine-motor and oral-motor development.
