### 4 WISHES By Ace Anderson

'4 Wishes' is perhaps the most diversified book available for the public regarding The Law of Attraction today. Whether you are a beginner, intermediate or advanced practitioner within the LOA, this book offers a simplified step-by-step, easy to read and understand language for beginners and intermediates, along with 'For the Techies' sections that advanced users would also expect. This book explains much of the detail offered from the newest and latest discoveries ranging from Dr. John Hagelin, Ph.D.'s interpretation of the Grand Unified Field along with an informative description of the Planck Scale. Of course, we have included some of the other great renditions of other familiar and distinguished physicists that the world has to offer.

This 3rd Edition features a substantial improvement in describing both new as well as old theories, translating in a language that you will surely understand and appreciate.

Anderson covers everything from humble beginnings from the conceptual viewpoints in the quantum world of the 'Law of Attraction', to the more advanced stages of instruction within this enlightening discipline.

Near the end of the book, Anderson conveniently summarizes each chapter for you, highlighting the various concerns and important issues from day to day procedures for your reference ...

After reading this wonderfully written book from Ace Anderson, we are convinced that this volume will be one of your favorite books within your valued collections.

Available for download today.
