**A Dictionary of Economics (Oxford Quick Reference)** By John Black, Nigar Hashimzade, Gareth Myles

This authoritative and comprehensive dictionary contains clear, concise definitions of over 3,400 key economic terms, covering all aspects of the field, including economic theory, applied microeconomics and macroeconomics, labor economics, public economics and public finance, monetary economics, and environmental economics. There is strong coverage of international trade and many entries on economic organizations and institutions from around the world. Fully revised to keep up with this fast-moving field, this new edition expands the coverage to include terms relevant to the financial crisis, such as *black swan*, *credit crunch*, *Northern Rock*, and *Iceland*, making this dictionary the most up-to-date available. Entries are supplemented by web links which are regularly updated on a companion website.

### Editorial Review

#### Review

Review from previous edition: "John Black's dictionary provides clear and concise explanations...An excellent system of cross-referencing the various entries is a valuable aspect...this book is strongly recommended as a handy work of reference for any non-economist who wants to have a better idea about what is going on in economic debates...this book deserves to sell well to a wide audience...it illuminates in a concise and accessible way many of the words and ideas used both in economics itself and in practical political debates on the subject."

--Times Higher Education Supplement

### Users Review

#### From reader reviews:

##### **Sarah Fernandez:**

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to learn everything in the world. Each guide has different aim or maybe goal; it means that reserve has different type. Some people sense enjoy to spend their a chance to read a book. These are reading whatever they consider because their hobby will be reading a book. How about the person who don't like studying a book? Sometime, person feel need book after they found difficult problem or maybe exercise. Well, probably you'll have this A Dictionary of Economics (Oxford Quick Reference).

##### **Marian Sheffield:**

As people who live in the particular modest era should be revise about what going on or data even knowledge to make them keep up with the era which is always change and move forward. Some of you maybe can update themselves by reading books. It is a good choice in your case but the problems coming to an individual is you don't know which you should start with. This A Dictionary of Economics (Oxford Quick Reference) is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and wish in this era.

**Cecil Hardin:**

People live in this new time of lifestyle always make an effort to and must have the time or they will get great deal of stress from both way of life and work. So , whenever we ask do people have free time, we will say absolutely indeed. People is human not a robot. Then we ask again, what kind of activity are there when the spare time coming to you actually of course your answer can unlimited right. Then ever try this one, reading publications. It can be your alternative within spending your spare time, typically the book you have read is definitely A Dictionary of Economics (Oxford Quick Reference).

**Raymond Floyd:**

This A Dictionary of Economics (Oxford Quick Reference) is great reserve for you because the content that is full of information for you who else always deal with world and still have to make decision every minute. That book reveal it information accurately using great plan word or we can declare no rambling sentences in it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but difficult core information with beautiful delivering sentences. Having A Dictionary of Economics (Oxford Quick Reference) in your hand like finding the world in your arm, info in it is not ridiculous 1. We can say that no e-book that offer you world throughout ten or fifteen small right but this publication already do that. So , this is certainly good reading book. Hi Mr. and Mrs. busy do you still doubt in which?
