From "The Lighthouse" - An Anthology: To Look Upon Darkness Through Light Must Dispel It By Kenneth Wapnick and Gloria Wapnick

(Excerpted from the Introduction) In 1990, the Foundation for A Course in Miracles began its official newsletter, *The Lighthouse*. It evolved into a quarterly periodical announcing classes and publications, and featured articles written by us (Kenneth and Gloria). We have thought for some time now, echoed in the numerous requests of others, to have these articles available as a collection, and thus are pleased to announce this compendium of writings entitled **From *The Lighthouse***. The articles cover a wide range of topics, as we considered both the world of *A Course in Miracles* as well as the world at large through the lens of the Course's teachings on forgiveness. When taken together, as they are in this compendium, these writings provide a window into how we at the Foundation have seen *A Course in Miracles* as a spiritual path, as well as our own development as a center dedicated to preserving and teachings its principles.
