Energy therapist Amy Scher presents an easy-to-understand, three-part approach to using energy healing for **removing blockages, changing your relationship with stress, and coming into alignment** with who you truly are.

After overcoming a life-threatening illness, Amy had an epiphany that healing is more than just physical: *If treating the body alone doesn't solve the problem, then the body alone isn't what created it*. Her dramatic story serves as a powerful example of how beneficial it is to address our emotional energies, particularly when nothing else works.

**A Note From the Author:**

*How To Heal Yourself When No One Else Can* was born from my own healing journey of over ten years. When nothing worked to heal me from a list of chronic illnesses and conditions including Lyme disease, chronic fatigue, autoimmune disease, and anxiety, I finally had an epiphany: *If treating the body alone doesn't solve the problem, then the body alone isn't what created it.* This realization helped me take a sharp turn in a new direction and finally address emotional baggage ("stress") in my body. It was life-changing.

By clearing blocks using these powerful techniques, we are able to release all that no longer serves us, and become who we really are, instigating the body's powerful self-healing ability.
