## **The Hare Krishna Movement: The Postcharismatic Fate of a Religious Transplant** From Columbia University Press

Dancing and chanting with their shaven heads and saffron robes, Hare Krishnas presented the most visible face of any of the eastern religions transplanted to the West during the sixties and seventies. Yet few people know much about them.

This comprehensive study includes more than twenty contributions from members, ex-members, and academics who have followed the Hare Krishna movement for years. Since the death of its founder, the movement, also known as the International Society for Krishna Consciousness (ISKCON), has experienced debates over the roles of authority, heresy, and dissent, which have led to the development of several splinter movements. There is a growing women's rights movement and a highly publicized child abuse scandal. Providing a privileged look at the people and issues shaping ISKCON, this volume also offers insight into the complex factors surrounding the emergence of religious traditions, including early Christianity, as well as a glimpse of the original seeds and the germinating stages of a religious tradition putting down roots in foreign soil.

### Editorial Review

#### Review

The great strength of this very useful and important resource comes from its reliance on both the work of scholars in the field of Indian religions and the evaluations of those who have personally experienced this movement over years of change...Highly recommended (E. Findly *Choice*)

This is a poignant book. (David E. Settje, Concordia University, River Forest *Religious Studies Review*)

#### About the Author

Edwin F. Bryant is assistant professor of Hinduism at Rutgers University. His publications include *The Quest for the Origins of Vedic Culture* and *Krishna: The Beautiful Legend of God*, *Srimad Bhagavata Purana Book Ten*. Maria L. Ekstrand is a psychologist on the faculty of the University of California, San Francisco who was involved in the development of ISKCON's child abuse investigation guidelines.

### Users Review

#### From reader reviews:

##### Jose Suh:

Why? Because this *The Hare Krishna Movement: The Postcharismatic Fate of a Religious Transplant* is an unordinary book that the inside of the e-book waiting for you to snap the idea but latter it will zap you with the secret that inside. Reading this book alongside it was fantastic author who all write the book in such incredible way makes the content inside of easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the book store hurriedly.

##### Christopher Morton:

This *The Hare Krishna Movement: The Postcharismatic Fate of a Religious Transplant* is great e-book for you because the content which can be full of information for you who have always deal with world and still have to make decision every minute. This specific book reveal it information accurately using great arrange word or we can say no rambling sentences in it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but challenging core information with beautiful delivering sentences. Having *The Hare Krishna Movement: The Postcharismatic Fate of a Religious Transplant* in your hand like finding the world in your arm, facts in it is not ridiculous 1. We can say that no publication that offer you world within ten or fifteen minute right but this book already do that. So , this is certainly good reading book. Hi Mr. and Mrs. busy do you still doubt which?

**Mark Johnson:**

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this The Hare Krishna Movement: The Postcharismatic Fate of a Religious Transplant can make you really feel more interested to read.

**Trudy Clark:**

A lot of people said that they feel weary when they reading a reserve. They are directly felt this when they get a half areas of the book. You can choose typically the book The Hare Krishna Movement: The Postcharismatic Fate of a Religious Transplant to make your own personal reading is interesting. Your current skill of reading talent is developing when you like reading. Try to choose straightforward book to make you enjoy you just read it and mingle the idea about book and reading especially. It is to be first opinion for you to like to wide open a book and examine it. Beside that the reserve The Hare Krishna Movement: The Postcharismatic Fate of a Religious Transplant can to be your brand-new friend when you're feel alone and confuse in doing what must you're doing of the time.
