## The Parrot Wizard's Guide to Well Behaved Parrots By Michael Sazhin

The Parrot Wizard's Guide to Well-Behaved Parrots is not only the most comprehensive book on living with companion parrots, it is a complete approach to successful parrot keeping.

This easy to follow guide gives you all of the information you need from getting started in owning a parrot to achieving the well-behaved pet parrot you dream of. Learn about choosing the right parrot for you, teaching it to step-up, preventing biting, establishing good behavior for grooming and vet visits, being able to hold and pet your parrot, socializing your bird to people, and places, traveling with your parrot, training it tricks, keeping it healthy, and so much more, all while keeping your parrot's well-being at heart. Written by a parrot owner for parrot owners.

It's not magic, it's an educated, successful, heartfelt approach.

This book will help you take care of and train your budgie, cockatiel, parakeet, parrotlet, lovebird, green cheek conure, sun conure, senegal parrot, amazon, african grey, eclectus, cockatoo, or macaw! The methods apply all around from the smallest parakeet to the largest parrot. You will learn vital skills from chapters including: Getting a Parrot, Situating the Parrot, Early Interactions, Taming & Training, Managing Good Behavior, Flight, Trick Training, Problem Solving (including biting, plucking, screaming, and flying), Socialization (including travel with and without your parrot), and Talking. Dozens of photos and illustrations help you grasp the basic concepts of this 296 page hardcover book. With the skills and tips this book provides, application, and patience, you'll be well on your way to achieving the well-behaved pet parrot you always wanted your bird to be.

### **Editorial Review**

#### **About the Author**

My involvement with parrots started out much like with any other parrot owner. I was looking for a pet, thought a bird might be fun, and got one at a pet shop. I knew nothing about how to handle one and had to learn it all from scratch.

In just 5 years I went from someone who wouldn't handle any animals to making TV performances with my parrots. However, it is everything in between that I would like to share that will no doubt be helpful to you.

First and foremost my parrots are my pets. I would not be doing any performances or training with them if I thought it was harmful to them in any way. As it turns out, it's the exact opposite and it brings out the best pet qualities in them. The purpose of this book is to help you achieve the same desirable pet qualities in your companion parrot without becoming a performer or spending too much money.

My parrots taught me how to be firm but gentle, kind but challenging, deliberate but adaptive, and above all patient. It is my purpose to share with you my parrot owning approach in whole that has led to what I would consider some genuinely well-behaved parrots.
